## ...with a Japanese YFU Student!

**You too can learn about the people and cultures of Japan by hosting a Japanese YFU student.**

**Youth For Understanding (YFU)** is looking for host families in your community. Families all over the US have found this to be a wonderful way to discover the world and help young people expand their horizons. Hosting can be one of the most rewarding, fun and enriching experiences your family can have.

Almost 250,000 students, families and volunteers around the world have joined YFU. More than 2,000 YFU international students from over 60 different countries will arrive this summer to live with a host family and attend a local high school.

**Will you join us?**

**YFU's Host Families have learned many things about Japan**

- Tech gadgets are popular
- Respectful & polite
- Family Oriented
- The Japanese are very literal
- 60 degrees is cold in Japan
- Snow is cause for wonder
- People love rice
- Hardworking people
- Tea Ceremonies
- Okinawa is far from mainland Japan

***“Hosting will expand not only your worldly view but it will also have an effect on your friends, family & neighbors. It's one small way of making your mark in the world. It has the potential to make a friend for life.”***

-- Susan, host mom in Connecticut
