You too can learn about the people and cultures of Thailand by hosting a Thai YFU student.

Youth For Understanding (YFU) is looking for host families in your community. Families all over the US have found this to be a wonderful way to discover the world and help young people expand their horizons. Hosting can be one of the most rewarding, fun and enriching experiences your family can have.

Almost 250,000 students, families and volunteers around the world have joined YFU. More than 2000 YFU international students from over 60 different countries will arrive this summer to live with a host family and attend a local high school.

Will you join us?

YFU's Host Families have learned many things about Thailand

- It's the "Land of Smiles"
- Friendly People
- Family Oriented
- Spicy food
- New Year's Eve is a big, wet, water fight
- Thai schools are very different
- Not all students like vegetables
- Houses have no ovens - it's too hot

"Our culture is so different from the Thai culture. It's fun to share our traditions with her that seems so normal for us."

-- Bethany, host mom in Michigan
