

YFU USA Quarterly School News - June 2011

YFU prepares young people for their responsibilities and opportunities in a changing, interdependent world.

Governors Around the Nation Congratulate YFU on 60 Years.

"International exchange and study abroad programs are crucial in shaping the global outlook, national solidarity, respect, and understanding amongst all people." – Gov. Sandoval (NV)

"Florida seeks opportunities to expand cross-cultural appreciation, understanding, and respect, and your organization helps accomplish this goal." – Gov. Scott (FL)

"In our increasingly interconnected world, the work of organizations like YFU USA is more important than ever..." – Gov. Quinn (IL)

Thank You for Engaging Global Education by Opening Your School to YFU!

We asked you to "describe the most positive aspects of the YFU program at your school". Here is what you told us:

- "YFU students expose our small school to other cultures."
- "The cultural conversations that occur in the classroom is the best part"
- "YFU provides cultural exchange opportunities for our students which help them see the world beyond our community."

Please call 1.800.872.0200 to Order FREE Resources

Youth For Understanding (YFU) exchange students contribute to their host communities and are a valuable resource source of global knowledge.

We invite you to share information about Youth For Understanding programs with your school and local communities. We happily provide informational materials and other resources you may need. We have flyers, posters, brochures and more. Please call 1.800.872.0200 to speak to your local Field Director or visit <http://yfu-usa.org/educators.php>.

To learn more or meet the students arriving in your area please visit www.yfu-usa.org.

To receive information about YFU programs for American Students please contact our Admissions Office through our website at www.yfu-usa.org or email admissions@yfu.org. Our 2012 study abroad information will be available on our website in August.
