If they ask if you are in the system, please make sure they look at all Aetna systems as they might be looking in the incorrect one.

What is Medical Provider?

Medical Provider refers to a doctor, urgent care, hospital, or other medical facility.

Who is my PPO?

Aetna is your Preferred Provider (PPO) Network and allows access to over 1.2 million medical providers throughout the United States.

What is 'In-Network' and 'Out-of-Network'?

The providers within Aetna's network are known as 'In-Network' Providers. If you go to a Medical Provider 'Out-of-Network', you may be required to pay more out of pocket. Arranging services through a preferred provider is not required, but will help reduce any potential out-of-pocket expenses.

Do I have to pay at the time of my appointment?

You may have a copay depending on your type of visit. If you have a copay, it will appear on the front of your insurance card under 'In-Network Copay'.

What is a Copay or Coinsurance?

This is the amount of money you will have to pay out-of-pocket for covered medical services.

What is a Deductible and does my plan have one?

The Deductible is the amount you have to pay before your benefits 'kick-in' (before insurance pays). Please see your plan's *Schedule of Benefits* to see if you have any Deductible(s).

Will this insurance cover the purpose of my visit?

If you are unsure if this insurance will cover your appointment, view your plan's coverage starting on page 6. If you have specific questions that you are unsure of, call CISI.

WHO PAYS AT THE PHARMACY?

Prescription medication will be an out-of-pocket expense. **Present your insurance ID card** at the pharmacy to receive a discount when paying. As long as the medication is for a covered illness or injury, you submit a claim for reimbursement. See the following page for claim submission questions.

What is a prescription receipt?

This is usually stapled to the outside of your pharmacy bag when you pick up your medication. If it has the following information, it's a prescription receipt:

- ✓ Your Name,
- ✓ Your Doctor's Name,
- ✓ Name of Medication,
- ✓ Dosage of Medication,
- ✓ Date Medication was Filled, &
- ✓ Amount of Medication.

IN CASE OF INPATIENT CARE/SERIOUS ACCIDENT

For all emergencies, seek help without delay at the nearest facility and then, after admittance, open a case with Robin Assist (our 24/7 assistance provider). Opening a case for inpatient care will allow us to monitor your case, provide regular updates to your program and family and address any concerns you may have. In addition, depending on your condition, if deemed medically necessary, the medical evacuation benefit will apply.

How long will it take to be reimbursed for eligible medical expenses paid out-of-pocket?

Generally, 15 business days from receipt date if all information is provided to process the claim. To check the status of your claim, contact CISI at (800) 303-8120 from 9AM to 5PM EST.

I received a bill from a medical provider. What do I do?

1. Does the bill include your insurance information? If not, you may just have to provide it to them.
2. On the back of the bill or by logging into their website, there is room for you to fill in your insurance information and send it back to them.
3. Once the medical provider has this information, they can send CISI a bill.
4. The bill may be for your deductible or copay. Review the charges and see if CISI made a payment on your behalf. The balance may be your responsibility.

Can I send the bill to CISI?

Yes, but you should also provide your insurance information to your medical provider. Email a copy to submityourclaim@mycisi.com, then complete the provider's insurance form and return it to the provider.

I got a letter from CISI asking for an itemized bill - What is this and do I have to do anything?

We need a specific type of bill from your medical provider. If you received the letter, we've already sent the same request to them, but calling the provider to request an itemized bill and forwarding it to CISI will speed up the process and help ensure your claim can be paid.

I got an Explanation of Benefits - What is this?

This is a statement that CISI sends you when we make a claim payment on your behalf. This shows how much your policy covers and what, if any, cost you should pay to the medical provider.

I got a letter from CISI asking for more information. What do I do?

The claims team may ask you to complete a claim form and/or provide additional information in order to process your claim. You can log into your Participant Portal and upload this via the Claims Info & Submission tab, or email the information to submityourclaim@mycisi.com as attachments.

Approved reimbursements will be paid to the provider of the service unless otherwise indicated on the claim. Claims should be submitted for processing as soon as possible (and no later than one year after treatment was received).

Then we will share with all that other insurance by the Method of Sharing described in below.
